The DFD Disco Edits

(A) La Poppe, (B1) Go Ahead & (B2) Dis Our Night

Cat no: EMINDS006 / Release date: August 2008

An amazing 3 track EP from DFD. Two well known London producers provide these 3 tracks, edits of Kid Creole and two other lesser know disco tracks.

We will let the music do the talking and keep the producers secret, sure you'll agree though that they have added a modern edge to these 3 disco jams and kept the music heads happy with their DJ friendly format.

Already causing a stir with Toby Tobias, Stevie Kotey, Faze Action & Yam Who.

Electric Minds have put on parties in London's East End since the beginning of 2005. The record label was launched in November 2007 and is a platform to showcase the production skills of the artists that play at our events.

We put on the parties sporadically but the records will be dropping once a month. Released to date are tracks from Yam Who?, Gatto Fritto, Steve Kotey & Max Essa with plenty more to come !

Supported by Prins Thomas, DJ Harvey, Idjut Boys, Toby Tobias, Horsemeat Disco, Disco Bloodbath, Dave Jarvis, Lasermagnetic, Frank Tope, Stuart Patterson, and Lindstrom.
