Ilija Rudman

Burning Of The Midnight Minds EP

(A) Ocean Colour **(B)** Chaz Jankel's "Your Too Funky" (Ilija Rudman Remix)

Cat no: EMINDS008 / Release date: November 2008

Electric Minds are proud to have **Ilija Rudman** for their 8th release. Ilija's repertoire is already extensive having had his productions released on labels such as Rong Music, Infant/2020 Vision, Compost, Love is War, Deep Freeze, Bear Funk and of course his own label Red Music which he runs from his base in Croatia. His work has been recognised by Industry greats such as Greg Wilson who commissioned his remix skills for his "After Midnight" track as well as rave reviews in magazines such as IDJ, DJ Mag & Mixmag. After that Ilija and Greg decided to do an Original track under Alter-Ego, Yolanta Sy, The Garden Ep.

Ilija delivers two deep house disco tracks for Electric Minds. The A side "Ocean Colour" is reminiscent of Metro Area's early work and delivers a driving bass line with added synths to keep the track moving along nicely.

For the B side Ilija turns out his remix skills on Chaz Jankel's "You're Too Funky". After hearing **Yam Who?'s** original version Ilija asked to remix this track to this package a double A side release. The remix brings a deep house flavor to Chaz's track with Ilija's newly created bass line and added synths over the chorus.

Here are some other reactions:

"They sound wicked !!!!! Love them both". – **Pete Herbert**

"Really cool this track, proper house vibes !!" - **Andy Whittaker** (2020 Vision, Asylum Leeds)

The promo created havoc when played at **We Love Space** in Ibiza – **Pbr Street Gang**

"I'd say that the tune is sounding cracking! Lovely synthy disco vibes with shades of Metro Area. Nice one." - Baz (**Boogie Corporation, Deep Freeze**)
